

Report on
Soft Skill Training for Teamwork Skills: Communicating Effectively in Groups for 2nd Year EE (Soft skills)
(04th August 2018)

The T & P cell have been organized a Soft Skill training program for 2nd year students of Electrical Engineering Department at Asansol Engineering College on the motive regarding “Teamwork Skills: Communicating Effectively in Groups” for 2nd Year on 04th August 2018. The programme has been conducted by MRS. Anindita Mazumdar, MRS. Huma Jahangir , Mr. Suman Chokraborty, Mr. Debasis Jana (Freelancer) have been invited by the college management team to oversee the whole event with their expertise and knowledge.

The aims achievements expected outcome and problems encountered in running this programme are specified below.

Programme Objectives:-

- The requisite confidence and exposure to the placement papers involved in campus selection during the group discussion rounds and all.
- Guiding the students how to get familiar in between a mass number of people in corporate ambience.
- Engagement in several fields such as communicating, manners, social etiquettes and so on.

Modules	Coverage
Team management and problem solving	Done
Listing and critical thinking	Done
Group interaction and collaboration	Done

Student participation:-

Out of 129 students 112 students attended the training session. Students have shown holistic and warmly response throughout the event and to the guidance and instruction provided. However very few of the students have not been attending the session regularly, that's why the event management team members adopted the following measures.

- Motivating students to attend y pointing out to them the usefulness of the modules.
- Liaising with the student mentor and HOD's

Programme Outcomes:-

- Students acquired requisite confidence and exposure to the placement papers involved in campus selection during the group discussion rounds and all.
- Students get confidence in between a mass number of people in corporate ambience.
- Students acquired engagement in several fields such as communicating, manners, social etiquettes and so on.

- The requisite confidence and exposure to the placement papers involved in campus selection.
- Enhancement of extracurricular activities.
- Engagement in several creative fields like arts & crafts, musical clubs, dance or drama clubs etc.

Course coverage:- The following modules have been selected for the different years:

Year	Modules	Coverage
2nd Year - ECE	Importance of smart study external curriculum activities	Done
	Get familiar with other candidates enlisted for cultural and creative clubs	Done
	Group interaction	Done
	Question Answer session	Done

Student participation:-

Out of 134 students 127 students attended the training session. Students have shown holistic and warmly response throughout the event and to the guidance and instruction provided. However very few of the students have not been attending the session regularly, that’s why the event management team members adopted the following measures.

- Motivating students to attend y pointing out to them the usefulness of the modules.
- Liaising with the student mentor and HOD’s

Programme Outcomes:-

- Students get requisite confidence and exposure to the placement papers involved in campus selection.
- Students acquired enhancement of extracurricular activities.
- Students get engagement in several creative fields like arts & crafts, musical clubs, dance or drama clubs etc.
